Introduction to course

The PADI Open Water Diver course is the most popular diving certificate worldwide. After completing this 3-4 day course you are certified to dive to 18m independently with a buddy. The course consists of five modules of learning. You study via self-study workbook and complete a knowledge review. This process is assisted by videos accompanying each chapter to reinforce what you have learned. The instructor reviews everything with you to ensure that everything are confidently understood. The practical learning consists of pool sessions and four open water dives. Dive one and two are conducted at a depth of max 12m and dive three and four are conducted at max 18m. The final stage of the PADI Open Water course is an exam, which is a multiple choice exam covering all that you have learnt. Remember that the course is performance based and not time based. The course generally takes 3 to 4 days, with the theoretical, the pool and the open water part successfully passed.

Diving is open to anyone in good health, but a medical form must be filled out before arrival. If you answer YES to any questions on the Medical Questionnaire, you will need medical clearance to dive. Students must also be able to swim at least 200 m and float for 10 min.

Transfer Information

The easiest way to reach Utila is to get yourself to La Ceiba by plane. Then catch the ferry "MV Utila Princess" leaving twice a day from the port of La Ceiba on Mainland Honduras. Connecting flights to La Ceiba is possible from San Pedro Sula or the capital Tegucigalpa. If you want to make it really easy and convenient, you can fly directly to Utila from La Ceiba - this might cost you a little extra, but it can be cheaper than staying a night in La Ceiba. If you do need to spend a night in La Ceiba, the hotel "Rainbow Village" found just around the corner from the airport is very friendly and safe. The hotel and transfer should be booked in advance.

You need to let the dive center know your arrival at least one week in advance. You will find the details for the dive center on your voucher.
