Transfer Information

The easiest way to reach Utila is to get yourself to La Ceiba by plane. Then catch the ferry “MV Utila Princess” leaving twice a day from the port of La Ceiba on Mainland Honduras. Connecting flights to La Ceiba is possible from San Pedro Sula or the capital Tegucigalpa. If you want to make it really easy and convenient, you can fly directly to Utila from La Ceiba - this might cost you a little extra, but it can be cheaper than staying a night in La Ceiba. If you do need to spend a night in La Ceiba, the hotel “Rainbow Village” found just around the corner from the airport is very friendly and safe. The hotel and transfer should be booked in advance.

You need to let the dive center know your arrival at least one week in advance. You will find the details for the dive center on your voucher.
