

Nusa Lembognan Island, Bali, Indonesia Referral course in Nusa Lembognan

The diving

If you prefer to do the academic part of the PADI Open Water Diver course in your own country with your local dive center, nothing is stopping you to do so.

The PADI referral course allow you to start with the theory and pool sessions at home, and continue with your 4 open water dives at another PADI dive center, anywhere in the world. Only rule is, you have to complete it all within 12 months.

If you are looking for a warm and chilled place to do your 4 open water dives in Asia, Nusa Lembognan is a pretty solid choice! Besides the island being awesome in so many ways, the diving here is great! The abundance and the diversity is top notch. Jump in at the coral gardens, hang out in the clear and ridiculously blue water and take in the scenery of a healthy reef, full of life and colour. There's very few things that are as cool as a thriving reef, and you find them around Nusa Lembognan. It's a pretty awesome scenery to be doing your course in. But it might be hard to keep your eyes on the instructor with all that cool stuff going on around you.

Nusa Lembognan Island, Bali, Indonesia
Referral course in Nusa Lembognan

Location

Close to Bali, lies the island of Nusa Lembongan, where people gather to enjoy world class diving and surfing, quiet sandy beaches and lazy island atmosphere.

But don't let the funky restaurants and wifi deceive you. This island is full of loose chickens, colourful locals and an everlasting scent from the little Balinese Hindu temples (Pura's) that are nestled in every little crack between houses and restaurants. It's local and cultural! Each week guests and staff from all the dive shops gather at Blue Corner Bar. Right on the beach with an infinity pool, bean bags and bonfire: a place for a good barefooted night of drinks and stories. Check it out!

Your resort

Is a little atmospheric oasis! There's a lovely pool to hang out in (sometimes you will be accompanied by divers training their skills). We are big fan of their eco friendly approach. They recycle, grow their own fruits and have the Aquatic Alliance research team based at the resort. Daily Yoga classes are on offer on site as well. Uhhh! The bungalows can be fully booked in high season. It is good to book 3 months in advance.

Your Room

The bungalows have a cool outside bathroom and a simple clean double bed bedroom. It is not white shiny Hilton, but a cozy bungalow with your own porch, where they are happy to serve breakfast - in your hammock of course!

Transfer Information

Nusa Lembongan is easily accessible from Bali and all boats leave from Jalan Hang Tuah at the North end of Sanur beach. Ticket offices for all boats can also be found on this road. Dunkin Donuts on Jalan Hangtuah has the last ATM before the harbour. Please be aware that there are no ATMs on Nusa Lembongan so you will need to bring enough money with you for your stay. Please make sure you are catching a boat to Jungutbatu beach and not Mushroom beach, which the dive center can't pick up from.

Rocky Fast Cruises

The easiest option is Rocky speed boats, which transport customers from Sanur to Lembongan and back, 3 times a day. These fibreglass boats offer cushioned seating and a bottle of water for customers. The journey takes only 30mins and includes a free pick up and drop off service for south Bali. Check their website or contact the dive center in advance. They can book your transfer for you. There are cheaper (less comfortable) options than Rocky. The dive center can guide you through the choices if needed.

You need to let the dive center know your arrival at least one week in advance. You will find the details for the dive center on your voucher.

A cancellation will only happen if Blue Venture finds that the contracted dive center can't perform the needed service of the booked package or if the dive standards can't be fulfilled accordingly. Minor changes in the itinerary will not be defined as a valid cancellation reason, as diving is dictated by the environment and the people enrolled in the activity.

Blue Venture will always do their best to find another operator of same or higher standard, but it is up to the customer to decide whether they want to accept the change or get a refund.

Restricted dives

Diving is dictated by the environment and the people enrolled in the activity. All diving is performance based. It is up to the discretion of the dive guide/instructor to restrict divers from entering activities that goes beyond their experience level. All guides strive to reach the expectations of the customers. However, if they find that the safety of the group or an individual is jeopardized or at risk by one or several individuals, it is up to the dive guide/instructor to restrict any divers from entering the water.

In this event the dive center or Blue Venture is not obliged to give a refund.

Dives not completed

There is no refund for dives not carried out.

Refund for dives not done for any reason is up to the discretion of the dive center. Most dive centers do not give refunds for dives not done with personal causes such as seasickness, low on air situations or a failure in mastering the equipment etc. All log books will be checked prior to the dive and the dive sites will be chosen accordingly to the experience level. It is however expected that certified divers keep within their limits and do not cross their comfort zone. Blue Venture and your travel agent is never responsible to pay a refund for dives not done.

If the customer does not have adequate time to enroll in another trip/course it is up to the customer to make sure the dive center notify Blue Venture of this in order to secure a refund via the sales agent who completed the sale with the customer. There will only be refund on the diving and not the accommodation.
