Koh Tao Island - Chalok Bay - Thailand  
**Yoga package - Chalok Bay - Dorm room**

**Location – Chalok Bay**

The island of Koh Tao is full of different bays and beaches, who all have their own special atmosphere. Where Sairee Beach is known for the young crowd and great parties, Chalok is the super laid back and quiet bay down in the South of the island. But don't despair! Koh Tao is a small island, and easy to get around! Busy Sairee beach is only 5 minutes away by scooter or TukTuk. You can still join the party before you return to Chalok for a good night's sleep. Chalok is also famous for snorkelling with small Blacktip sharks and turtles in Shark Bay!!

In the area of Chalok Bay, you'll find a few lovely beaches for lazy afternoon sunbathing, plenty of delicious restaurants and cozy little beach bars too. There are also SPAs, shops, tattoo parlours, laundry facilities, kayak rentals, beautiful hikes, viewpoints and plenty of other activities around to keep you occupied when you are not underwater or on your yoga mat!

**Your accommodation**

The luxury hostel The Dearly is located just 200m from the dive center and features quality bedding, A/C, hot water and clean modern decor. Onsite you will also find a huge swimming pool tucked into the rocks and jungle palms and a welcoming reception area great for socializing or enjoying a cappuccino. Breakfast is also included each morning. The hostel has an amazing social atmosphere every day, and even free "beach crawls" are arranged on a regular basis. Transportation is provided to take you and your new friends to some of the island's best beaches and viewpoints!

**Your (spacious) dorm room**

Is furnished with 6 individual beds, individual lockers, personal reading light, and electrical outlet. The room is air conditioned and has a spacious balcony along with a clothing rack. Trust us, this hostel ROCKS!

**Koh Tao is a famous island for backpackers. There are numerous things to do on this lush little green island and we recommend that you extend your package with some extra nights, to make sure you have time to really explore it.**

**A few things you might enjoy while not doing yoga:**

1) Try diving for 1 day.

No certification or experience is necessary. You'll start at 10:30am and finish around 4:30pm, so you'll still be able to join both yoga classes the same day. During the day you have the option of doing either 1 or 2 dives.

2) Snorkeling.

A short walk from your accommodation you'll find one of the best snorkeling spots on Koh Tao. You can see Black Tip Reef Sharks (completely harmless and not dangerous) and a very large resident turtle is also often spotted.

3) Hiking.

Enjoy the views from John Suwan View Point. A 30-45 min hike offers you fantastic views of Koh Tao.

4) Beach time.

Relax and sunbathe on Chalok beach or nearby Freedom beach. Both are beautiful sandy beaches away from the busy crowds.

5) Food for your face.

Have lunch and drinks in one of the many excellent nearby cafe's and beach bars. From vegan and vegetarian dishes to greasy burgers you'll never be far from amazing food options.

Yoga package - Chalok Bay - Dorm room

**Yoga itinerary - 4 days & 3 nights**

The daily yoga schedule alternates between different styles of yoga, depending of the day of the week, the teacher and the wishes of the class.

**Day 1:** When you arrive with the ferry to Koh Tao, you will be picked up by your driver, and taken to the hostel. Relax after your journey, eat some delicious Thai food in one of the many nearby restaurants and cafe's and if you feel up for it after your trip to Koh Tao you will be able to join the 18:00 yoga class.

**Day 2:** Start the day with a refreshing morning yoga class beginning at 9:00. After 90 min of yoga it is the perfect time to have brunch. Spend the rest of the day enjoying one of the many activities Chalok has to offer, beaches, diving, swimming, snorkeling, sunbathing, hiking and eating delicious food. At 18:00 the second 90 min yoga session of the day begins. Usually we do energetic yoga session in the morning and then more relaxing classes in the evening. A perfect way to end the day before heading out for dinner.

**Day 3:** You will again have the option to join 2 yoga classes. Morning class at 9:00 and evening class at 18:00.

**Day 4:** Depart Koh Tao

**If you want a longer itinerary, you can add extra days of diving and accommodation upon booking.**

**Please note:**

Due to ocean and weather conditions, the itinerary can be subject to change.

**Vinyasa Flow:** This class is dynamic, energetic, and creative - with an emphasis on breath as we flow through explorations in strength, mobility, and flexibility.

**Hatha:** Whether you're a beginner or experienced yogi, return to the core fundamentals of body-mind-breath. Hatha yoga is a harmonizing of the active and receptive energies within - building strong foundations while refining posture and presence

**Yin Yang:** This class is a sweet hybrid of dynamic flow and deep relaxation. After churning the inner fires (yang), we'll soften into a cooling practice (yin).

**Yin:** Chill, and be still. Yin yoga is a cooling practice with long posture holds that slowly access our deeper connective tissues, tendons, ligaments, bones, and joints - an excellent practice for building flexibility, and a great balance for more dynamic activities.

**Mindfulness Meditation:** For those who are curious about establishing or evolving a meditation practice - we'll explore the many tools of mindfulness, share challenges and insights through discussion, and practice various forms of seated, reclined, and walking meditation - bringing our body-minds into greater present moment awareness, and cultivating resilience for life.

**Restorative:** This is a deeply relaxing, gentle practice that gives yogis a chance to consciously reconnect with the parasympathetic nervous system - the branch of the nervous system responsible for our "rest and digest" activities. We use ample props to support our bodies in soothing backbends, gentle twists, and relaxing forward folds to release any built-up tension or stress.
